

WESTERN FURNISHINGS |

New West brings the best of western style into your home in the form of handcrafted, custom furniture created by a team of designers, craftspeople, and fine artists. This Cody, WY, design studio features pieces ranging from club chairs covered in rich leather, buffalo hide, or colorful Chimayo weavings to wooden chests with such accents as antler pulls and carved panels. Survey New West's online catalog at www.newwest.com.

| SPA EXPERIENCE

Indulge in the spa experience at home with a visit to the online boutique of The Phoenician, Scottsdale's premier luxury resort. Pamper yourself with aromatherapy oils, botanical shampoos, and plush robes and towels bearing the Phoenician logo—all of which can be ordered from www.thephoenician.com. The site also offers an online tour of the resort, with captivating views of the well-appointed guestrooms, 12-court tennis garden, and 27-hole golf course.

NATIVE JEWELRY |

Victoria Adams incorporates precious metals, gemstones, and fossils into her signature jewelry designs that feature animals, plants, and human forms. DRAGON FLY DANCES AT JEMEZ PUEBLO WITH THE YEPA FAMILY (left), for example, is comprised of 18kt gold, sterling silver, turquoise, cabochon sapphire, mother of pearl, and other gems. Adams, an enrolled member of the Southern Cheyenne/Arapaho tribes of Oklahoma, is an award-winning artist whose coveted, one-of-a-kind jewelry goes everywhere from cookouts to cocktails. Start your wish list with a visit to www.blueraingallery.com.
